Rural water supply programme in A.P.

†2701. SHRI NANDI YELLAIAH: Will the Minister of RURAL DEVELOPMENT be pleased to state:

(a) the programme-wise, year-wise and district wise details of the targets fixed, funds allocated to the State Government and actual achievement of

†Original notice of the question was received in Hindi.

targets regarding the installation of hand pumps, to revival of traditional resources of water and to supply of drinking water in primary schools in the villages of Andhra Pradesh by the Central Government under the two year programmes for rural water supply amounted by the Prime Minister in 2003;

whether these targets could not be achieved completely; if so, the reasons therefor; and

by when the target of these programmes likely to be achieved for Andhra Pradesh?

THE MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT (SHRI A. NARENDRA): (a) to (c) Under 2 years' programme of Prime Minister for installation of 1 lakh hand pumps, revival of 1 lakh traditional sources of water and providing drinking water facilities to 1 lakh rural primary schools, the targets fixed for Andhra Pradesh were as under:

Scheme	Targets fixed (in number)		
	2003-04	2004-05	Total
Installation of hand pumps	3339	10438	13777
Revival of traditional sources	3339	9045	12384
Coverage of primary schools	5130	16007	20092

For 2003-04, for Andhra Pradesh, under the allocation based component of PM's programme the allocation was Rs. 2887.65 lakh and release was Rs. 3482.91 lakh and under demand driven approach the release was Rs. 2104.88 lakh. For 2004-05, against the allocation of Rs. 8827.80 lakh, Rs. 8827.80 lakh was released and no release was made under the demand driven component of PM's programme during 2004-05. District-wise details for the above targets is not maintained at the Central level.

Against the above targets, the latest report received from State Government reveal installation of 15030 hand pumps, 12811 revival of traditional sources and coverage of 20092 primary schools.
